

Goal of the association

- ▶ Keep the relations between luxemburgish and international active or retired EOD Operators alive,
- ▶ Honor and remember our fallen comrades
- ▶ Help the beneficiaries of injured operators or fatalities following an potential accident
- ▶ Support national and international NGO's with financial aid, and intervene on the ground in case of deployment.

Timeline

- ▶ Foundation: 01 Aug 2024
- ▶ We would be happy to write our own story with your precious help.

Project description

- ▶ In 2025, we are celebrating 100 years since the first intervention on Luxemburgish soil, which took place in the city of Remich.

Historique du SEDAL

- ▶ 04/09/1925: First intervention of 1 team consisting of 1 officer et 1 soldier from the voluntary company.
- ▶ 10/05/1940: The german occupants create a “technical emergency unit”. German pyrotechnists and about 30 Luxemburgers complete this unit.
- ▶ 23/09/1944: Official creation of a unit which handles the ammunition pickup and disposal by the City of Luxembourg.

- ▶ 24/04/1945: 1st Lt Jean Welter is tasked with the organisation and the direction of the so called « Sprengkommando » A gendarmerie sergeant-major and six gendarmes were at his service.
- ▶ Also, 202 political detainees, supervised by the six gendarmes, and 69 civil workers were attached to this unit.
- ▶ 10/04/1947: Dissolution of the unit that carried out munition handling for the city of Luxembourg. Transfer of those activities to the Luxembourg Army.

- ▶ 01/04/1952: 1st Lt Jules Dominique becomes the Commander of this unit stationed at the Ammunition Supply Point in Waldhof, newly introduced. Two further NCO's completed this unit.
- ▶ Nowadays, the EOD unit of the Luxembourg army, SEDAL (Service de Déminage de l'Armée Luxembourgeoise) is organised this way with about 20 operators working there since the early days.
- ▶ Missions abroad have been carried out in the following theaters: Iraq, Bosnia, Lebanon, Afghanistan, Croatia, Cambodia..
- ▶ Today, SEDAL counts 15 members: 10 EOD operators, 3 drone / medical support operators, 1 ammunition technician and one civil member.

Needs of the association

- ▶ Financial support to establish an operating fund and the organization of the centennial celebration as well as the structure of a fund that enables us to answer our statutory obligations in case of an accident.
